

## My Savior—My Lord

Christian stewards are indebted to their Creator for life itself. He is both their **Savior** and **Lord**. They eagerly look forward to His second coming, as heirs of God's kingdom.

**The crown of thorns** is a symbol of Jesus' suffering and sacrifice on the cross as Savior of the world.

**The royal crown** symbolizes Jesus' victory and His present lordship in the steward's life. It is also an expression of faith in Jesus as Creator and owner of all, as well as His soon return as king of the universe.

Jesus' call to follow Him is an invitation for us to live life as He did—a life of sacrifice and service. It becomes a life filled with joy and victory. Faithful stewards give their all in response to God's all!
